No. 304

MR. BROWN IN PLACE DECEMBER 14. 1925.

REPORTED FROM COMMITTEE OF THE WHOLE, DECEMBER, 14, 1925

AN ORDINANCE

AUTHORIZING THE AMERICAN TELEGRAPH & TELEPHONE COMPANY OF PENNSYLVANIA, ITS SUCCESSORS AND ASSIGNS, TO ACQUIRE, OCCUPY AND USE SUCH PORTION OF THE AERIAL AND UNDERGROUND WORKS OF THE BELL TELEPHONE COMPANY OF PENNSYLVANIA, WHICH ARE NOW ERECTED, CONSTRUCTED AND IN PLACE, OR WHICH MAY HEREAFTER BE ERECTED, CONSTRUCTED AND PLACED ON, OVER, UNDER AND THROUGH THE PUBLIC HIGHWAYS OF THE CITY OF PITTSTON, COUNTY OF LUZERNE, STATE OF PENNSYLVANIA, AS THE SAID THE AMERICAN TELEPHONE & TELEGRAPH COMPANY OF PENNSYLVANIA MAY REQUIRE IN DUE PROSECUTION OF ITS BUSINESS.

WHEREAS, The Bell Telephone Company of Pennsylvania has constructed and will, from time to time, construct aerial and underground works on, over, under and through the public highways of the City of Pittston, by virtue of authority vested in it by ordinances enacted by Council of the said City; and

WHEREAS, The American Telegraph & Telephone Company of Pennsylvania, an associated and connecting company with the said The Bell Telephone Company of Pennsylvania, desires to acquire, occupy and use, for connecting and through line purposes, a certain portion of the aerial and underground works now in place or hereafter constructed by the Bell Telephone Company of Pennsylvania in the said City of Pittston.

NOW THEREFORE, Be It Ordained by the Council of the City of Pittston, County of Luzerne, State of Pennsylvania, that The American Telegraph & Telephone Company of Pennsylvania, its successors and assigns, may acquire, occupy and use such portion of the aerial and underground works of The Bell Telephone Company of Pennsylvania which are now erected, constructed and in place, or which may hereafter be erected, constructed and placed on, over, under and through the public highways of the City of Pittston, as may be required by the said The American Telegraph & Telephone Company of Pennsylvania, for connecting and through line purposes in the due prosecution of its business, upon such arrangements as the two companies may agree to; Provided:

THAT the said The American Telegraph & Telephone Company of Pennsylvania shall at all times fully indemnify, protect and save harmless the said City of Pittston from and against all action, claims, suits, damages and charges, and against all loss and necessary expenditures arising from the use or maintenance of any or all of the aerial and underground works acquired by it as aforesaid; and provided,

THAT nothing herein contained shall be construed as authorizing The American Telegraph & Telephone Company of Pennsylvania, its successors or assigns, to erect any poles in and upon, or to construct conduits under any public highway in the said City of Pittston, and provided.

THAT the said The American Telegraph & Telephone Company of Pennsylvania shall, under its seal and by its proper officers, within sixty (60) days from the date of the final enactment of this ordinance, signify in writing its acceptance of all the terms, and conditions herein contained, in default of which this ordinance shall become null and void and of no effect; and further provided,

THAT it is hereby understood and agreed that neither the purpose nor intent, nor the obligation of this ordinance, if and when approved by the Public Service Commission of the Commonwealth of Pennsylvania, is such as to impair or in any wise affect the exercise by said Commission of any of the powers vested in it by the Public Service Company Law, approved July 26, 1913.

AN ORDINANCE

AUTHORIZING THE AMERICAN TELEGRAPH & TELEPHONE COMPANY OF PENNSYLVANIA, ITS SUCCESSORS AND ASSIGNS, TO ACQUIRE, OCCUPY AND USE SUCH PORTION OF THE AERIAL AND UNDERGROUND WORKS OF THE BELL TELEPRONE COMPANY OF PENNSYLVANIA, WHICH ARE NOW ERECTED, CONSTRUCTED AND IN PLACE, OR WHICH MAY HEREAFTER BE ERECTED, CONSTRUCTED AND PLACED ON, OVER, UNDER AND THROUGH THE PUBLIC HIGHWAYS OF THE CITY OF PITTSTON, COUNTY OF LUZERNE, STATE OF PENNSYLVANIA, AS THE SAID THE AMERICAN TELEGRAPH & TELEPHONE COMPANY OF PENNSYLVANIA MAY REQUIRE IN DUE PROSECUTION OF ITS BUSINESS.

WHEREAS, The Bell Telephone Company of Pennsylvania has constructed and will, from time to time, construct aerial and underground works on, over, under and through the public highways of the City of Pittston, by virtue of authority vested in it by ordinances enacted by Council of the said City; and

WHEREAS, The American Telegraph & Telephone Company of Pennsylvania, an associated and connecting company with the said The Bell Telephone Company of Pennsylvania, desires to acquire, occupy and use, for connecting and through line purposes, a certain portion of the aerial and underground works now in place or hereafter constructed by the Bell Telephone Company of Pennsylvania in the said City of Pittston.

NOW THEREFORE, Be It Ordained by the Council of the City of Pittston, County of Luzerne, State of Pennsylvania, that The American Telegraph & Telephone Company of Pennsylvania, its successors and assigns, may acquire, occupy and use such portion of the aerial and underground works of The Bell Telephone Company of Pennsylvania which are now erected, constructed and in place, or which may hereafter be erected, constructed and placed on, over, under and through the public highways of the City of Pittston, as may be required by the said The American Telegraph & Telephone Company of Pennsylvania, for connecting and through line purposes in the due prosecution of its business, upon such arrangements as the two companies may agree to; Provided:

THAT the said The American Telegraph & Telephone Company of Pennsylvania shall at all times fully indemnify, protect and save harmless the said City of Pittston from and against all action, claims, suits, damages and charges, and against all loss and necessary expenditures arising from the use or maintenance of any or all of the aerial and underground works acquired by it as aforesaid; and provided,

THAT the said The American Telegraph & Telephone Company of Pennsylvania shall, under its seal and by its proper officers, within sixty (60) days from the date of the final enactment of this ordinance, signify in writing its acceptance of all the terms, and conditions herein contained, in default of which this ordinance shall become null and void and of no effect; and further provided,

THAT it is hereby understood and agreed that neither the purpose nor intent, nor the obligation of this ordinance, if and when approved by the Public Service Commission of the Commonwealth of Pennsylvania, is such as to impair or in any wise affect the exercise by said Commission of any of the powers vested in it by the Public Service Company Law, approved July 26, 1913.

No. 284

MR. KEARNEY IN PLACE NOVEMBER 3, 1924.

REPORTED FROM COMMITTEE OF THE WHOLE, NOV. 17, 1924

AN ORDINANCE AUTHORIZING AND DIRECTING THE CITY CLERK TO ADVERTISE FOR BIDS FOR LIGHTING THE STREETS, HIGHWAYS AND PUBLIC PLACES OF THE CITY OF PITTSTON, PA.

Be it ordained by the city council of the City of Pittston, Pa., and it is hereby ordained by authority of the same:

SECTION 1. That the Clerk of said City be and he hereby is authorized, directed and empowered to advertise for bids for lighting the streets, highways and public places of the City of Pittston, Pa., in accordance with the following specifications:

SPECIFICATIONS FOR STREET LIGHTING

DEFINITIONS:

The person, firm or corporation supplying the service to be performed will herein be designated as "Contractor" and the City of Pittston, designated as "City," and the terms "Contractor" and "City" shall be deemed to include the respective successors and assigns of the said parties.

SERVICE TO BE PERFORMED:

The Contractor shall furnish high efficiency gas filled Tungsten lamps and light the same by electricity through a general system of overhead distribution and maintain and operate the same during the period prescribed in any contract between the City and the Contractor, awarded in accordance with these specifications.

PERIOD OF TIME DURING WHICH CONTRACT IS EFFECTIVE:

The Contractor, proposing to furnish street lighting in accordance with these specifications, shall submit to the City two bids, one bid shall refer to service to be performed by the contractor during a period of five years, and one bid during a period of ten years. In any event the period during which the service is to be performed shall commence on the first day of the next month succeeding the approval by the Public Service Commission of a contract between the City and the Contractor awarded in accordance with these specifications, or such later date as may be mutually agreed upon beween the parties in order to conform with the provisions of law applicable thereto.

MAINTENANCE:

Said lamps shall be so maintained and operated that they will give the maximum amount of illumination obtainable under commercial conditions.

HOURS OF LIGHTING:

All lamps shall be burned from one-half hour after sunset until one-half hour before sunrise every night and all night, burning approximately four thousand (4000) hours per annum.

NUMBER, TYPE AND LOCATION OF LAMPS:

The minimum number of lamps to be furnished, the candle power and type of the same shall be as follows:

Number	Candle Power	Type
179 or more	100	Gas Filled Tungsten
157 or more	600	Gas Filled Tungsten
	Also	
68 or more	400	Gas Filled Tungsten

in ornamental fixtures and brackets mounted on metal trolly poles.

Said lamps shall be installed in the locations, as per blue print attached.

Additional lamps of the respective candle power and types above mentioned may be added from time to time on written notice from the City given by the City Clerk; and payment for the service of such additional lamps shall be at the same rate provided for in the accepted bid, commencing on the day which the lamps are put in service; provided, however, that one additional lamp of not less than 100 candle power shall be installed for each extension of 360 feet from the street lighting mains of the Contractor; provided, however, that the Contractor will not be required to install at Contractor's expense any new lamps within one year of the termination of this contract.

Whenever additional lamps are so ordered, the minimum number of lamps to be furnished throughout the remainder of the period above specified shall be increased accordingly. Temporary lamps, if ordered, shall be furnished under special contract.

OUTS:

In the event of any lamp or lamps failing to burn during the hours specified and are so reported, by the City to the Contractor, and the Contractor having failed to remedy the complaint within two (2) hours after said notification, then the City shall be exempt from payment of all such non-burning lamp or lamps for the entire night. A record shall be kept by the City of the location, date and time of complaint; also time lamp or lamps are in operation again. The Contractor shall immediately report to the City when the complaint is remedied, or when any lamp or lamps are renewed. A written monthly report shall be furnished each party to this contract. Reports by and to the City may be made by and to the Police Department, or such other agent of the City as the City may, by writing addressed to the Contractor, designate.

CARE OF LAMPS:

The City agrees on its part, through its police department, to protect the lamps against breakage, and where lights are out due to the breakage of lamps, without fault on the part of the Contractor, no outage shall be charged to the Contractor.

MOVING LAMPS:

Lamps shall be moved by the Contractor to such new locations as the City may, by writing signed by the City Clerk direct, subject, however to the following conditions:

Such moving of lamps shall be completed within ten (10) days after receipt by the Contractor of written notice from the City Clerk (Sundays, Legal Holidays and stormy days shall not be counted), providing, that the number of such removals shall not exceed one per day, and provided, further, that such removals shall not be required on Sundays, Legal Holidays or stormy days. Notice that the work of such removals of such lamps has been completed shall be given by the Contractor to the City, addressed to the City Clerk, within ten (10) days after completion of the work.

The actual cost to the Contractor of making such relocations shall be paid by the City to the Contractor, within thirty (30) days after such notice has been given.

PAYMENT FOR SERVICE:

The Contractor shall receive the amount specified in the accepted bid in payment for service rendered in accordance with the terms of these specifications. Payments are to be made in equal monthly installments. Each installment to be due and payable on or befoe the 10th day of each month succeeding that in which the service is rendered, and all installments to bear interest from thirty days after the date when they become due until the date they are paid to the Contractor. The Contractor shall have the right, in the event of the failure on the part of the City to pay for service within six months after the same becomes due, to cease to furnish and not be obligated to renew the service until all claims of the Contractor against the City have been paid.

CONTINUANCE OF CONTRACT:

The City reserves to itself the right to have this contract continue automatically from month to month after the termination herein provided for, until the City or Contractor shall give thirty days notice in writing of a desire to terminate this contract. This right reserved to the City, however, is entirely optional with the City. The furnishing of service and the acceptance of the same by the City to evidence the exercise of the option on the part of the City.

GUARANTY OF BID:

Each bidder must file with his bid a certified check in the sum of $1,000.00 payable or duly endorsed to the order of the City Treasurer, which checks shall be returned to the unsuccessful bidder at the date of awarding of the contract, and returned to the successful bidder at the date of the execution of a contract for the service herein provided.

Should the successful bidder refuse to enter into a contract for such service within thirty days from the date of the award, the check deposited by him shall be forfeited to the City as liquidated damages.

PAYMENT OF ADVERTISING COSTS AND LEGAL EXPENSES:

The Contractor, upon the acceptance of the bid and the execution of a contract by the City, and upon the approval of the same by the Public Service Commission shall pay all the costs of advertising in connection with the providing for, awarding and lettering of the contract for electric light service, and shall also pay the legal expense of the City in connection with the preparation, passage, advertising, recording and execution or ordinances, minutes, bids and contracts, in connection with and relating to said electric light service.

REJECTION OF BIDS:

The City shall have the right to reject any and all bids.

SECTION 2. This ordinance shall take effect and be in force from and after ten days from this date.

AN ORDINANCE

FOR THE PREVENTION OF CRIME AND BREACHES OF THE PEACE; REQUIRING PERMITS FOR THE PURCHASE OR ACQUISITION OF CERTAIN WEAPONS; REGULATING THE ADVERTISING AND DISPLAY THEREOF; PROHIBITING THE SALE OF CERTAIN WEAPONS AND TOOLS, IMPOSING DUTIES UPON MERCHANTS, PAWNBROKERS AND OTHERS, AND IMPOSING PENALTIES.

SECTION 1. The Council of the City of Pittston ordains that for the purpose of preventing the carrying of concealed deadly weapons and the commission of other crimes and breaches of the peace, it shall be unlawful for any persons, whether as principal or agent, to sell or otherwise dispose of any pistol, revolver, (including those for discharge of blank cartridges), sling-shot, handy-billy, dirk-knife, air gun or other deadly weapon readily capable of concealment upon the person, unless a permit for such sales or other disposition has first been obtained from the Chief of the Department of Police in the manner hereinafter provided.

SEC. 2. Every person desiring to purchase or acquire any weapon enumerated in Section 1 of this ordinance may make written application therefor accompanied by payment of a fee of $1.00 to the Chief of the Department of Police for the use of the City of Pittston. Said application shall set forth the reasons why such purchase or acquisition is desired and such other information as said Chief may require. If said Chief shall deem such application well grounded and such applicant to be of good moral character, he shall grant a non-transferable permit, which shall be signed by the applicant in the presence of said Chief or his duly authorized representative.

SECTION 3. Such permit shall authorize the applicant within thirty days thereafter to purchase or otherwise lawfully acquire a weapon of the class enumerated in Section 1 of this ordinance, upon the surrender of such permit and the signing thereof for the purposes of comparison in the presence of the person selling or otherwise disposing of said weapon.

SECTION 4. It shall be the duty of the person selling or otherwise disposing of any such weapon, before delivering the same, to take possession of such permit, observe the signing thereof by the holder, and fill in the date and description of the weapon with the number thereof, if any, and to file said permit with the Chief of the Department of Police within ten days after delivery of such weapon.

SEC. 5. Nothing in this ordinance or in said permit contained shall be construed to authorize the holder of said permit to wear or carry any dangerous or deadly weapon concealed upon the person.

SEC. 6. No merchant, pawnbroker or other person shall display any of the weapons enumerated in Section 1 of this ordinance nor any printed or pictorial matter advertising the same in any store window, show-case, or other place of display, so that the same shall be visible from any public street or sidewalk.

SEC. 7. The sale and keeping for sale of knucklers, brass or steel knuckles, jimmies and tools of all kinds primarily designed and intended as aids in the commission of burglaries and other crimes, is hereby declared to be unlawful and is hereby prohibited, and no permits shall be issued for the purchase or sale of the same.

SEC. 8. It shall be the duty of every person who shall keep for sale any of the weapons enumerated in Section 1 of this ordinance to keep a copy of this ordinance conspicuously posted at all times in such person's place of business.

SEC. 9. Any person violating any of the provisions of this ordinance shall upon conviction thereof be fined not to exceed $100 for any one offence, recoverable with costs together with judgment or imprisonment not to exceed 30 days if the amount of said judgment and costs shall not be paid.

No. 280

MR. KEARNEY IN PLACE JUNE 16, 1924.

REPORTED FROM COMMITTEE OF THE WHOLE, JUNE 16, 1924

AN ORDINANCE

PERMITTING THE LOCATION, CONSTRUCTION AND MAINTENANCE OF UNDERGROUND STEEL TANKS FOR THE STORAGE OF GASOLINE, AND THE LOCATION AND MAINTENANCE OF AUTOMATIC CURB DEVICES AND FILLING STATIONS, TO BE USED IN CONNECTION WITH SAID TANKS TO SUPPLY MOTOR VEHICLES WITH GASOLINE, PROVIDING THE MANNER IN WHICH SAID TANKS AND CURB DEVICES AND FILLING STATIONS SHALL BE LOCATED AND MAINTAINED, REQUIRING THE FILING OF A BOND TO SAFEGUARD THE INTERESTS OF THE CITY, DESIGNATING CERTAIN DISTRICTS WHEREIN SUCH TANKS AND CURB DEVICES AND FILLING STATIONS SHALL NOT BE LOCATED, PROVIDING FOR THE REMOVAL OF SUCH TANKS, CURB DEVICES AND FILLING STATIONS AND PROVIDING A PENALTY FOR THE VIOLATION OF ANY OF THE PROVISIONS OF THIS ORDINANCE.

Section 1. Be it enacted and ordained by the City Council of the City of Pittston, and it is hereby enacted and ordained by the authority of the same,

That the location of underground steel tanks for the storage of gasoline under and adjacent to the sidewalks along, but not under the public highways of the City of Pittston,, and the location of automatic curb devices immediately inside the curb line along said highways, is permitted under the provisions as hereinafter set forth.

Section 2. That the underground steel tanks and automatic curb devices located under the provisions of this ordinance are to be used for the storage of gasoline and to furnish the same to motor vehicles using the public highways of the City of Pittston.

Section 3. To secure a permit to locate an underground steel tank and an automatic curb device filling station for furnishing gasoline to motor vehicles, a written application shall be made to the Mayor and City Council and filed with the City Clerk. Said application shall be made on a blank form, and shall contain the following information: Name of the applicant; exact location of tank and device as to the Street and number of property in front of which the same is to be located; the number of gallons the tank will hold, in no case to exceed one thousand gallons, whether the tank is to be located under or adjacent to the sidewalks, but in no case outside of the curb line; the number of feet the tank will be to the nearest fire hydrant; the number of feet the tank will be to the foundation of the nearest building, whether the building in front of which the tank is to be located is of frame, brick, stone or concrete, and the work of constructing said tanks, curb devices and filling stations shall be completed within ten days from the date of commencement of the work of installation.

Section 4. That no automatic curb device shall, under any circumstances, be located within twenty feet of a fire hydrant. And there shall be no advertising matter of any kind or character or description on any of said devices.

Section 5. That after a resolution has been passed by the City Council granting permission for the location of an underground tank, curb device and filling station, the person, firm or corporation to whom permission is granted, shall before commencing work in the installation of said tank, curb device or filling station, file with the City Clerk a bond in the sum of One Thousand Dollars, with Corporate Surety, to indemnify and save harmless the City from any and all damages to persons or property during the placing of said tank, curb device and filling station and for and during the entire time the same shall remain at the location for which permission was granted. The form of bond will be furnished the applicant by the City Clerk, and no other form will be accepted. The work of locating the said underground tanks, curb devices and filling stations will be under the supervision, and subject to the approval of the Superintendent of the Department of Streets and Public Improvements.

File Folio 2

Section 6. That the City of Pittston reserves the right to require the removal of any or all of the underground tanks or curb devices or filling stations located under the provisions of this ordinance within thirty days, and that upon the passage of a resolution by the City Council directing that any of said tanks, curb devices and filling stations shall be removed, a notice shall be served upon the owner, lessee or occupant of the property in front of which said tank, curb device and filling station shall be located, to remove said tank, curb device and filling station within thirty days from the service of notice so to do. In default thereof the City Council shall at once notify the owner or lessee of said tank, curb device and filling station to discontinue using the same for the sale of gasoline or for any other purpose, and shall proceed at once to have the same removed and return the cost thereof to the City Solicitor, together with a penalty of 20 per centum, as provided by law, for collection.

Section 7. That from and after the passage of this ordinance by the City Council of the City of Pittston, no permits shall be granted for the location of underground tanks under or adjacent to the sidewalks, or for the location of curb devices on or adjacent to the curb lines on Main Street from Railroad Street to Parsonage Street, for the purpose of supplying gasoline to automobiles.

Section 8. That immediately upon the passage of this ordinance by the City Council, the City Clerk shall notify all persons, firms and corporations owning or operating underground tanks or curb devices and filling stations for furnishing gasoline to motor vehicles, who have not already done so, to file with the City Clerk the required Surety Company Bond in the sum of One Thousand Dollars within thirty days; otherwise the permits heretofore granted to them are hereby revoked.

Section 9. That the violation of any of the provisions of this ordinance shall subject the firm, person or corporation so offending, upon conviction before the Mayor or any Alderman of said City to a fine of not more than Twenty-five Dollars, said fine to be collected in the manner provided by law.

Section 10. That in filling the underground tanks with gasoline from a tank-wagon, or otherwise, a covered funnel must in all cases be used.

Section 11. That the Sealer of Weights and Measures of the City of Pittston is hereby directed to examine, at least once a month, each of the automatic curb devices located along the sidewalks throughout the entire City, which are conneted with underground tanks, and to report to the City Council, monthly, whether said curb devices are correct as to the measurement of the quantity of gasoline per gallon furnished from said curb device.

Section 12. No permit shall be granted for open air garages within the City of Pittston.

Section 13. All ordinances or parts of ordinances inconsistent herewith are hereby repealed.

AUTHORIZING THE PITTSTON STREET CAR COMPANY TO LAY A SECOND TRACK ON MAIN STREET FROM PINE STREET TO BUTLER STREET; INSTALL A SWITCH AT THE INTERSECTION OF MAIN STREET AND FERRY BRIDGE APPROACH AND A BRANCH TRACK ON THE APPROACH TO THE FERRY BRIDGE CONNECTING THEREWITH; PROVIDING FOR THE RE-PAVING OF A PORTION OF MAIN STREET BY SAID COMPANY; AND REPEALING ANY PRIOR ORDINANCES OR PARTS THEREOF INCONSISTENT HEREWITH.

WHEREAS, THE PITTSTON STREET CAR COMPANY now maintains and operates, under authority heretofore granted, a single track electric railway with the necessary turnouts or switches on Main street in the City of Pittston from the southerly line of the City to the Duryea Borough line; and

WHEREAS, for the better accommodation of the traveling public it is desirable to have the said The Pittston Street Car Company construct and operate a second track upon that section of Main Street between Pine Street and Butler Street and also install a switch at the intersection of Main Street and Ferry Bridge approach and a branch track on the approach to Ferry Bridge connecting therewith; and

WHEREAS, contracts have been awarded by the City for the repaving of the greater portion of Main Street and it is advisable to have the said Company make said improvements at the time the new paving is laid and at the same time re-pave a portion of Main Street at said Company's expense;

SECTION 1. Be it ordained by the Council of the City of Pittston and it is hereby ordained by the authority of the same: That the Pittston Street Car Company shall have authority to construct, maintain and operate an additional track upon Main Street between Pine Street and Butler Street and also to install, maintain and operate a switch at the intersection of Main Street and the approach to the Ferry Bridge and a branch track on the approach to Ferry Bridge connecting therewith.

SECTION 2. That traffic may not be unnecessarily interrupted, the work of moving the present track to its new location and constructing the additional track, switch and branch track authorized in Section 1 hereof shall be performed by the Company when the present paving on Main Street shall be torn out by the City for the purpose of repaving.

SECTION 3. On that portion of Main Street where it constructs a double track the company shall pave, at its own expense, with brick, the space lying between the rails of each of its two tracks and also the space between said tracks; provided, however, that the maximum width of said street to

be paved by the said Company shall not exceed fifteen feet, measured from the outside rail of the in-bound track to the outside rail of the out-bound track, and further provided that the space between its two tracks shall not exceed five feet, and the Company shall keep in repair the space between the rails and also between the tracks and one foot next outside thereof.

SECTION 4. When said Main Street or any section thereof other than upon which double track is laid, shall be repaved, the Company shall pave one foot on the outside of each rail and between the rails with brick, a total width of seven feet; the Company shall also maintain and keep in repair, from the date of this contract, that portion of Main Street other than upon which double track is laid, which lies between its rails and one foot next outside thereof.

SECTION 5. All ordinance or parts of ordinances inconsistent herewith are hereby repealed.

SECTION 6. It is neither the purpose nor intent, nor is it the obligation of this contract if and when approved by the Public Service Commission of the Commonwealth of Pennsylvania, to impair or in any wise affect the exercise of said Commission of any of the powers invested in it by the Public Service Commission Act of July 26, 1913, and its supplements.

SECION 7. The Mayor, on behalf of the City of Pittston is hereby authorized to sign as intervening petitioner, a petition of The Pittston Street Car Company praying the Public Service Commission's approval of this Contract.

Bills shall be sent to the abutting property owners for 66⅔ per cent. of the total cost of the curbing and paving.

SECTION 8. When the paving and curbing of the aforesaid streets shall be completed according to said specifications, the City Engineer shall certify in writing the fact of such completion, and file such certificate with the City Clerk, and thereupon the City Council shall, by resolution, accept said paving and curbing, and the contractor therefor shall be paid within sixty days after the completion and acceptance, the full contract price for said paving and curbing. For the purpose of raising the necessary moneys therefor, there shall be issued and sold at not less than par value, Certificates of Indebtedness of sufficient amount and in sums of not less than One Thousand Dollars, bearing interest at the rate of 4½ per centum, payable semi-annually, and having interest coupons thereto attached, payable on the first day of April and October. Said certificates shall be signed by the Mayor and Controller, and be countersigned by the City Clerk, and be duly attested with the seal of said City, and shall be payable in 30 years from the date of the issue thereof, and shall be redeemable in their numerical order at the pleasure of the City at any time after the expiration of five years from their date. Bonds called for redemption to be advertised for in three successive issues in two daily newspapers in said City, and shall cease to bear interest from the date of said call.

SECTION 9. The proceeds from the sale of said certificates of indebtedness or so much thereof as may be necessary for the purpose, are hereby appropriated to the payment of said contract; and there is hereby specifically appropriated to the payment of said certificates and interest, the assessments upon the respective properties abutting upon and adjacent to the aforesaid streets.

SECTION 10. Immediately after the expiration of the sixty days aforesaid, allowed for the payment of the first installment due thereon, the City Treasurer shall return to the City Solicitor the amounts of all installments of payments remaining unpaid together with the names of the abutters against whom the same is chargeable. The City Solicitor shall, within six months from the completion of the improvement in front of said properties, file liens against the abutters for the unpaid installments in the manner prescribed by law, with a penalty of three per centum chargeable thereon in case the same is collected by legal proceedings.

AN ORDINANCE

AUTHORIZING THE SEWERING OF WASHINGTON TERRACE, DEWITT STREET, UNION STREET, GIDDING STREET, JENKINS ALLEY, BENEDICT STREET, BOLIN AVENUE AND BOYD ALLEY.

SECTION 1. BE IT ORDAINED by the City Council of the City of Pittston and it is hereby ordained by the authority of the same:

That lateral sewers be constructed on Washington Terrace, Dewitt Street, Union Street, Gidding Street, Jenkins Alley, Benedict Street, Bolin Avenue and Boyd Alley, and that house connections be constructed from said lateral sewers to the curb line; all of said work shall be done within thirty days after the execution of the contract made in pursuance hereof, and under the direction of the City Engineer, and according to plans, profiles and specifications prepared by him and filed in his office, a copy of which is hereto attached; excepting, however, as the same may be modified by the provisions of this ordinance.

SECTION 2. That the City Engineer be and he is hereby directed to have plans, profiles and specifications prepared for the sewering herein authorized, and that upon the completion of said plans, profiles and specifications, the City Council is hereby directed to advertise for sealed proposals for said sewering in accordance with Section One hereof, and the plans.

SECTION 3. That the City Council shall, upon the receipt of said bids by resolution, award the contract for said sewering to the lowest and best bidder or bidders, upon such terms and conditions as shall be designated and set forth in said resolution.

SECTION 4. Immediately upon the completion of said sewering, the City Engineer shall make an assessment of the costs of the same against the owners of real estate fronting and abutting on each of the aforesaid streets, by an equal assessment on said property in proportion to the number of feet the same fronts on said streets, giving notice to said owners of the time and place of making such assessments as provided by law, and filing a copy of the final or corrected schedule of said assessments with the City Treasurer and City Clerk.

SECTION 5. That 33⅓ per cent. of the total assessment levied by the City Engineer shall be paid by the City of Pittston, the balance thereof be assessed against the abutting property owners. Bills shall be sent to the abutting property owners for 66⅔ of the total cost of the curbing and grading.

SECTION 6. That the sewering of the aforesaid streets shall be completed according to said specifications, the City Engineer shall certify in writing the fact of such completion, and file such certificate with the City Clerk, and thereupon the City Council shall, by resolution, accept said sewering, and the contractor therefor shall be paid within sixty days after the completion and acceptance, the full contract price for said sewering. For the purpose of raising the necessary moneys therefor, there shall be issued and sold at not less than par value, Certificates of Indebtedness of sufficient amount in sums of not less than One Thousand Dollars, bearing interest at the rate of 4½ per centum, payable semi-annually, and having interest Coupons thereto attached, payable on the first day of April and October. Said certificates shall be signed by the Mayor and Controller, and be countersigned by the City Clerk, and be duly attested with the seal of said City, and shall be payable in 30 years from the date of the issue thereof, and shall be redeemable in their numerical order at the pleasure of the City at any time after the expiration

of five years from their date. Bonds called for redemption to be advertised for in three successive issues in two daily newspapers in said City, and shall cease to bear interest from the date of said call.

SECTION 7. The proceeds from the sale of said certificates of indebtedness or so much thereof as may be necessary for the purpose, are hereby appropriated to the payment of said contract: and there is hereby specifically appropriated to the payment of said certificates and interest, the assessments upon the respective properties abutting upon and adjacent to the aforesaid streets.

SECTION 8. Immediately after the expiration of the sixty days aforesaid, allowed for the payment of the first installment due thereon the City Treasurer shall return to the City Solicitor the amounts due of all installments of payments remaining unpaid together with the names of the abutters against whom the same is chargeable. The City Solicitor shall within six months from the completion of the improvement in front of said properties, file liens against the abutters for the unpaid installments in the manner prescribed by law, with a penalty of three per centum chargeable thereon in case the same is collected by legal proceedings.

REPORTED FROM COMMITTEE OF WHOLE, AUGUST 6, 1923

AN ORDINANCE

AUTHORIZING THE GRADING AND CURBING OF LAMBERT STREET FROM MAIN STREET TO PROSPECT STREET; TOMPKINS STREET FROM OAK STREET TO CLEVELAND STREET; CHURCH STREET FROM CARROLL STREET TO FOURTH WARD PARK AND CHAPEL STREET FROM MAIN STREET TO CITY LINE, IN THE CITY OF PITTSTON, DIRECTING THE MANNER OF ASSESSMENT, COLLECTING THE COST OF SAID IMPROVEMENT AND PROVIDING FOR THE PAYMENT OF THE SAME.

SECTION 1. BE IT ORDAINED by the City Council of the City of Pittston and it is hereby ordained by the authority of the same; that Lambert Street from Main Street to Prospect Street, Tompkins Street from Oak Street to Cleveland Street, Church Street from Carroll Street to Fourth Ward Park and Chapel Street from Main Street to City Line in the City of Pittston, be graded and curbed with
along both sides of said streets.

SECTION 2. That the City Engineer be and he is hereby directed to have plans and specifications prepared for the grading and curbing herein authorized, and that upon the completion of said plans and specifications, the City Council is hereby directed to advertise for sealed proposals for said grading and curbing in accordance with Section One hereof, and the plans and specifications of said engineer aforesaid.

SECTION 3. That the City Council shall, upon the receipt of said bids by resolution, award the contract for said grading and curbing to the lowest and best bidder or bidders, upon such terms and conditions as shall be designated and set forth in said resolution.

SECTION 4. That the grade of the cartway of the aforesaid streets between the points aforesaid, the profile of which is now on file in the office of the City Engineer, be adopted and established as the grade of said cartway, and that the profile be filed away and preserved for present and future inspection.

SECTION 5. That for the purpose of defraying the expense of said grading and curbing and incidental expenses, the several properties fronting upon and adjacent to the aforesaid streets, be and the same are hereby assessed for contribution thereto, that is to say, each of the several properties on both sides of said streets, is hereby assessed for its pro rata share of the expense of said grading and curbing and incidental expenses on the proper side up to the middle thereof. And the assessment aforesaid shall be payable in five equal installments. The first installment to become due and payable within sixty days after the completion of said grading and curbing, and the balance in four equal installments from the date of such completion with interest at the rate of five per centum per annum. Provided, that parties may at their option at the time of the payment of any annual installment, pay the whole amount with which they are charged and save further interest thereon; and if so paid within sixty days after the completion of the grading and curbing in front of their respective properties, no interest shall be charged to the parties so paying the full amount. And provided further, that in all cases of neglect or refusal for a period of sixty days to pay any installment of said assessment, as heretofore provided after the same shall have become payable, the whole assessment against the party so neglecting to pay the same shall become immediately due, and the amount of said assessment with three per centum additional shall be collected together with interest thereon and costs as now authorized by law.

SECTION 6. Immediately upon the completion of said grading and curbing, the City Engineer shall make an assessment of the costs of the same against the owners of real estate fronting and abutting on each of the aforesaid streets between the points named, in accordance with Section 5 of this ordinance, giving notice to said owners of the time and place of making such assessments as provided by law, and filing a copy of the final or corrected schedule of said assessments with the City Treasurer and City Clerk.

SECTION 7. That 33⅓ per cent. of the total assessment levied by the City Engineer shall be paid by the City of Pittston, the balance thereof to be assessed against the abutting property owners. Bills shall be sent to the abutting property owners for 66⅔ per cent. of the total cost of the curbing and grading.

SECTION 8. When the grading and curbing of the aforesaid streets shall be completed according to said specifications, the City Engineer shall certify in writing the fact of such completion, and file such certificate with the City Clerk, and thereupon the City Council shall, by resolution, accept said grading and curbing, and the contractor therefor shall be paid within sixty days after the completion and acceptance, the full contract price for said grading and curbing. REPORTED FROM COMMITTEE OF THE WHOLE, JULY 2, 1923.
AN ORDINANCE

AUTHORIZING THE INCREASE OF THE INDEBTEDNESS OF THE CITY OF PITTSTON IN THE SUM OF TWO HUNDRED AND SEVENTY-FIVE THOUSAND DOLLARS, AND THE FUNDING OF SAID SUM BY THE ISSUE AND SALE OF BONDS, THE PROCEEDS THEREOF TO BE USED FOR THE CONSTRUCTION OF SEWERS ON PUBLIC STREETS, FOR RESURFACING PUBLIC STREETS, FOR PAVING AND CURBING PUBLIC STREETS AND FOR GRADING AND CURBING PUBLIC STREETS, AND CREATING A SINKING FUND FOR THE PAYMENT OF INTEREST AND PRINCIPAL OF SAID BONDS AS THE SAME BECOMES DUE.

Section 1.—Be it ordained by the City Council of the City of Pittston and it is hereby ordained by the authority of the same; that the indebtedness of the City of Pittston be and the same is hereby increased two hundred and seventy-five thousand dollars for the purposes hereinafter enumerated and set forth.

Section 2.—That said increase of indebtedness shall be funded by an issue of coupon bonds in sums of one thousand dollars each, bearing interest at the rate of four and one-half per cent per annum, payable semi-annually; and the principal thereof shall be reimbursed within thirty years from the date of issue thereof at the time set forth in this Ordinance

And before said bonds are issued an annual tax shall be assessed and levied, in addition to the other taxes of said corporation upon the assessed value of taxable property in said city, the collection whereof shall commence the first year after the said increase of indebtedness by the issue of the bonds herein called for, which tax shall be sufficient to pay the interest on said bonds as the same shall become due, and also the principal thereof as said bonds shall respectively fall due; and the moneys received from such tax shall be paid into the City Treasury and shall be applied annually and as fast as the same accumulates toward the extinguishment at par of said coupon bonds and funded debt and for no other purpose whatever.

Section 3.—That the money received for the sale of said bonds is hereby appropriated and applied for the payment for work, labor and materials for the construction of sewers on public streets in the City of Pittston, for payment for work, labor and materials for resurfacing public streets in said City, and for payment for work, labor and materials for paving and curbing of public streets in said City, and for payment for work, labor and materials for curbing and grading public streets in said City.

Section 4.—That said bonds shall be known and designated as City Improvement Bonds, Series "C," and shall be delivered and bear date at such time or times as, in the judgment of the Superintendent of Accounts and Finance of the City Council will be necessary to meet the payment on contracts entered into for the work specified in other sections of this ordinance. The said bonds shall be payable as follows: During the years 1928 to 1947 both inclusive, $10,000.00 each year; during the years 1948 to 1952 both inclusive, $15,000.00 each year. Said bonds shall bear interest at the rate of four and one-half per cent per annum, payable semi-annually on dates to be fixed by the Superintendent of the Department of Accounts and inance of the City Council at the time the bonds are issued according to the interest coupons attached thereto. Said bonds shall be in denominations of one thousand dollars each and shall have the corporate seal of the City of Pittston attached thereto, attested by the City Clerk, and shall be signed by the Mayor, the Superintendent of the Department of Accounts and Finance and the City Controller, and the coupons thereto attached shall bear the engraved or lithographed signature of the City Controller and City Clerk. Said bonds shall contain substantially the following provisions and shall be in substantially the following form:

Section 1. Be it ordained by the City Council of the City of Pittston and it is hereby ordained by the authority of the same: That except wherein the context otherwise determines the following words and phrases are used with the following meanings respectively:

(a) "Milk" means milk, cream, sour milk, sour cream, buttermilk and all other fluid derivities of milk except condensed milk and evaporated milk.

(b) "Person" includes masculine and feminine and any firm or corporation, and any agent, servant, assistant employee or representative thereof.

(c) "To sell" or "shall sell" means the selling, exchanging, delivering or having in possession, care, control or custody with intent to sell, exchange or deliver or to offer or expose for sale.

(d) "Skimmed milk" means milk from which substantially all the milk fat has been removed.

(f) "Bacterial colonies per cubic centimeters" shall be those obtained according to the Standard Methods of Milk Analyses as recommended by the

American Public Health Association.

Section 2. No person shall sell:

(a) Skimmed Milk which has not been pasteurized unless made from Certified Milk, "Grade A Milk (raw)" or made from pasteurized milk, or sell skimmed milk which is not labeled "Skimmed Milk."

(b) Milk, the container of which is labeled or branded so as to mislead or deceive the purchaser.

(c) Milk from cows suffering from dangerous communicable disease or milk containing colostrum.

(d) Milk in unsterilized containers, which means containers which have not been subjected to moist heat, or moist heat and chemical treatment as may be necessary to effect to a practical degree the destruction of bacteria and other micro-organisms therein. No chemicals other than the washing compounds in common use shall be used except by written permission of the Board of Health issuing the permit to sell milk.

(e) Homogenized milk, emulsified milk and remade milk, unless it is plainly and conspicuously labeled, "Homogenized," "Emulsified" or "Remade" as the case may be.

(f) Milk stored or kept for sale in any stable or any room which is dirty, or in which rubbish or waste material is allowed to accumulate.

(g) Milk from vessels not protected by a suitable cover or so placed that they can be contaminated by dust, dirt or flies.

(h) Milk transferred from one container to another at any place other than the station or depots for which a permit for the sale of milk has been issued by the Board of Health.

Section 3. No person shall sell milk in the City of Pittston without a permit issued by the Board of Health or otherwise than in accordance with the terms of said permit, and with the regulations of said Board.

The provisions in this section shall not apply to milk when sold by the glass in hotels, restaurants and retail stores, when such milk has been obtained from one already in lawful possession of a permit for the sale of milk within the City of Pittston.

Each person desiring a permit from the Board of Health to sell milk shall make application therefor on a printed form to be furnished by said Board of Health. Each permit to sell milk shall be valid for one year from the first day of April. Each person receiving a permit to sell milk shall pay into the treasury of the City of Pittston the sum of two dollars.

Section 4. The Board of Health shall not issue a permit to sell milk delivered raw to the consumer until after an examination has been made by competent representative of the Board of Health as to the sanitary condition of the place where the milk is to be sold and of the place where the milk is to be handled in any way and of the dairy farm where such milk is produced and the Board of Health is satisfied that the care and treatment of such milk will be in accordance with the terms of this ordinance and the regulations of said Board of Health.

The Board of Health shall not issue a permit to sell milk delivered pasteurized to the consumer until after an examination has been made by a competent representative of the Board of Health as to the sanitary condition of the place where the milk is to be sold and of the place where the milk is to be received or handled in any way after delivery from the dairy farm and the Board of Health is satisfied that the care and treatment of such milk will be in accordance with the terms of this ordinance and the regulations of said Board of Health.

Section 5. All milk sold in the City of Pittston shall be sold under the following grades or designations and not otherwise:

Certified Milk.

Grade A Milk (raw).

Pasteurized Milk.

Section 6. "Certified Milk" means the product of dairies operated in accordance with the "Methods and Standards for the production and Distribution of Certified Milk," adopted by the American Association of Medical Milk Commissions, May 1, 1912, and amendments thereto in effect at the time of production and the production and handling of which shall be certified to by a milk commission instituted in compliance therewith.

Section 7. "Grade A Milk (raw)" means milk produced and handled in accordance with the following special regulations:

1. "Grade A Milk (raw)" shall be milk from a herd, each member of which shall be free from communicable diseases as determined by complete physical examinations and tuberculin tests conducted in accordance with the rules, regulations and practice of the Pennsylvania Bureau of Animal Industry. The examinations and tests to be made at intervals of not more than six months and at such lesser periods as may be recommended by said Bureau in individual cases. Each such examination and test may only be made by a veterinarian whose competency and reliability have been certified by the Bureau.

A complete report of each examination and test, approved by the Bureau, must be filed with the Board of Health before the milk from any cow may be sold as "Grade A Milk (raw)".

2. "Grade A Milk (raw)" as delivered to the consumer or prior to such delivery shall not develop more than 100,000 bacterial colonies per cubic centimeter and cream more than 500,000 colonies per cubic centimeter when inoculated into standard agar nor shall milk of this designation show more than 500,000 individual bacteria per cubic centimeter when counted by direct observation under a microscope.

3. "Grade A Milk (raw)" shall be delivered in bottles unless otherwise specified in the permit to sell such milk.

4. The caps of all bottles containing "Grade A Milk (raw)" shall be un-

colored and with the designation "Grade A Milk (raw)" and the name of the dealer clearly and legibly printed on the outer side of the cap.

5. No person having a communicable disease or caring for or coming in contact with any person so afflicted or who is a carrier of a communicable disease shall handle "Grade A Milk (raw.)"

6. The Board of Health shall cause all persons employed in or about dairy barns or milk houses who, in any manner may come in contact with "Grade A Milk (raw)" on the farm on which such milk is produced, or in any place where "Grade A Milk (raw)" is exposed or placed in containers to be examined for communicable disease at least semi-annually and at any subsequent time as the Board of Health may direct. Those found free from communicable disease shall be furnished a health certificate in accordance with the regulations of the Board of Health. The medical examination and the issuance of health certificates shall be at the expense of the Board of Health.

7. The sanitary convenience on the dairy farm, such as privy vaults, cesspools, etc., shall be fly tight and kept in a sanitary condition.

8. The water supply used in the dairy and for washing utensils shall be sufficiently abundant for all purposes, easy of access and free from contamination.

Section 8. "Pasteurized Milk" means milk produced and handled in accordance with the following special regulations:

1. Milk for pasteurization and sale as "Pasteurized Milk" shall be clean milk drawn from healthy cows and handled under modern sanitary conditions.

2. "Pasteurized Milk" is milk which has been heated to a temperature of not less than 145 degrees Fahrenheit and held for not less than 30 minutes at a temperature of approximately 145 degrees Fahrenheit, but never less than 142 degrees Fahrenheit.

3. "Pasteurized Milk" shall not develop more than 50,000 bacterial colonies per cubic centimeter, and cream more than 100,000 colonies per cubic centimeter

when inoculated into standard agar from a sample of pasteurized milk as delivered to the consumer or at any time after pasteurization and prior to such delivery.

4. A true record of pasteurization as given by a recording thermometer approved by the Board of Health, shall be on file and ready for inspection at the place where the milk is pasteurized. The record on file shall be correctly dated and shall cover the six months previous to the date of inspection.

5. "Pasteurized Milk" shall be delivered to the consumer within 36 hours after pasteurization.

6. "Pasteurized Milk" shall be delivered to the consumer in bottles only unless otherwise specified in the permit.

7. The caps of all bottles containing "Pasteurized Milk" shall be uncolored and with the designation "Pasteurized Milk" and the name of the dealer clearly and legibly printed on the outer side of the cap.

8. The Board of Health shall cause all persons who in any manner come in contact with milk during or after pasteurization, to be examined for communicable disease at least semi-annually and at any subsequent time as the Board of Health may direct. Persons found free from communicable disease shall be furnished a health certificate in accordance with the regulations of the Board of Health. The medical examination and the issuance of health certificates shall be at the expense of the Board of Health.

Section 9. Any member, officer or agent of the Board of Health is hereby authorized to enter and to have full access to any building, structure or farm where milk is stored or kept for sale or in which he has reason to believe milk is stored or kept for sale, and to all wagons, railroad cars or any other vehicle used for the conveyance or delivery of such milk. Such member, officer or agent is authorized to take samples of milk from any such building, structure, farm or vehicle (any one sample not to exceed one quart) for the purpose of inspecting, testing or analyzing such milk upon payment thereof at the market rates when payment is demanded. Every such sample shall have a label attached to the

vessel containing the sample and shall have written thereon at the time of taking the sample or immediately thereafter, the name of the dealer, the number of the sample, the date of the collection and the name of the member, officer or agent of the Board of Health taking the sample. Such member, officer or agent shall offer to the person from whose possession the sample is taken the information written on the label.

Section 10. 1. No person shall sell milk which contains any added water, or milk which has had the butter-fat or any portion thereof removed therefrom, or milk to which has been added any substance for the purpose of increasing its consistency or thickness, or milk which contains less than three and one-quarter (3¼) per centum of butter-fat and less than twelve (12) per centum of milk solids.

If a person accused of selling milk containing less than three and one-quarter (3¼) per centum of butter-fat and less than twelve (12) per centum of milk solids, shall furnish satisfactory affidavit that nothing has been added to or taken from the milk in question, which is otherwise pure and wholesome, and is not below three (3) per centum of butter-fat, no prosecution shall be instituted against such person.

2. No person shall sell cream which contains or is mixed with any added condensed or evaporated milk or cream or cream to which has been added any substance for the purpose of increasing its consistency or thickness, or cream which contains less than eighteen (18) per centum of butter-fat: Provided, that cream, when it contains or is mixed with any added condensed or evaporated milk or cream, may be sold, if the vessel or container in which such cream is sold is plainly labeled, stating the fact that such cream contains or is mixed with added condensed or evaporated milk or cream, and the amount thereof.

3. No person shall sell or have in possession with intent to sell, for human consumption, milk or cream to which has been added boracic acid salt, boracic acid, salicylic acid, salicylate of soda, formaline, formaldehyde, sodium flouride, sodium benzoate, or any other compound or substance for the preserving or coloring the same.

Section 11. Any person having the possession or custody of bottles, cans or other containers in which milk is sold shall cause any such bottles, cans or containers to be cleaned immediately upon emptying the same; and no person shall use a milk vessel as a container for any other substance than milk.

Section 12. No person shall remove from any dwelling in which exists a case of any communicable disease, any bottle or container which has been or which is to be used for containing or storing milk except with the permission of the Board of Health.

Section 13. The Board of Health of the City of Pittston is hereby charged with the enforcement of the provisions of this ordinance. The Board of Health is further authorized to make such regulations from time to time as are necessary for the efficient execution of the provisions of this ordinance. The Board of Health after affording the permittee an opportunity for a hearing, may suspend or revoke any permit issued by it under this ordinance whenever it shall determine that the permittee has violated any of the provisions of this ordinance or of the regulations made hereunder. Any permit issued by the Board of Health may be suspended temporarily by the Board of Health whenever it deems necessary.

Section 14. That any person violating any of the provisions of this ordinance, shall, on conviction by any magistrate, alderman or justice of the peace, be sentenced to pay a fine of not more than $100.00, and for each subsequent offense, and conviction thereof, shall be punished by a fine of not more than $100.00. In default in the payment of any fine the defendant shall be sentenced to jail for a period of not exceeding thirty days for the first offense and not exceeding sixty days for any subsequent offense.

Section 15. Any ordinance or part of ordinance conflicting with the provisions of this ordinance be and the same is hereby repealed, so far as the same affects this ordinance.

MR. McGARRY IN PLACE SEPTEMBER 26, 1921.

REPORTED FROM COMMITTEE OF THE WHOLE, SEPTEMBER, 1921

AN ORDINANCE

PERMITTING THE ERECTION OF OVERHANGING, OPEN ELECTRIC SIGNS OVER THE SIDEWALKS IN THE CITY OF PITTSTON, REGULATING THE HEIGHT AT WHICH SAID SIGNS MUST BE ERECTED ABOVE THE GRADE OF THE SIDEWALKS, REGULATING THE METHODS AND DESIGNATING THE MATERIALS WHICH MAY BE EMPLOYED IN THE CONSTRUCTION AND ERECTION OF SAID SIGNS AND PROVIDING A PENALTY FOR THE VIOLATION THEREOF.

That from and after the passage and approval of this ordinance, it shall be lawful to erect over the sidewalks in the City of Pittston, overhanging electric signs, said signs to be so arranged and constructed that all lamps shall be open and fully exposed to view, and in no case concealed within the structure of the sign.

Section 1. Be it ordained by the Council of the City of Pittston, and it is hereby ordained by the authority of the same.

Section 2. That no sign so erected shall extend over the sidewalk for a greater distance than four feet from the building line, in front of the building where said sign is erected and to which it is attached, and that no sign shall be less than twelve feet above the grade of the sidewalk.

Section 3 That every sign so erected shall be constructed and supported as follows:

MATERIALS. Must be constructed entirely of metal, except that wood may be used for small mouldings or borders if kept well away from the lamps. The frame of the sign must be of angle iron or iron pipe, thoroughly braced to secure the necessary strength and rigidity, and must be provided with substantial eyes, clamps or other fittings for the attachment of the supporting cables or rods.

LETTERS. The letters, borders and designs, constituting the sign, must be constructed in outline and mounted directly on the framework. No solid or continuous groundwork or backing shall be used, except that in small signs the frame may be filled in with heavy wire netting on which the letters may be mounted, this netting to have a mesh of one inch and to be made from wire not less than number eight in size. The letters, borders and designs shall be made from number twenty guage sheet iron or steel, well galvanized or otherwise protected from rusting, and must allow ample space for the wires and lamp receptacles mounted therein. They must be weather-tight, and must be provided with drip openings at the bottom at all points where the water might collect. The sides of the letters or designs shall not extend more than two inches beyond the face of the same and must not conceal the lamps.

ELECTRIC WIRING. All electric wiring in or on any sign shall be done with double braided, rubber covered copper wires of proper size, and where on the outside of the letters, borders or designs, must be enclosed in rigid steel or iron conduits, with suitable watertight steel or iron boxes where required for cutouts, switchers, flashers or small apparatus or fittings. All parts of the sign must be well painted or galvanized to protect them from rust, and every sign must be repainted at least every second year.

File Folio 2

SUPPORTS. All electric signs shall be securely held in place by iron brackets and rods or by galvanized steel cables or by a combination of these methods as the Chief of the Fire Department may direct, but no cable having a diameter of less than five-sixteenths of an inch may be used. All cables and other supports must be painted as provided for the signs.

Section 4. The owners of the building to which said sign is attached shall at all times be liable for any and all damages to persons or property which may be caused by the falling of said sign or any part thereof.

Section 5. No such sign shall be erected unless a plan shall be first filed with the City Clerk showing the style size and construction of said sign and the method of supporting or hanging the same.

Section 6. No such sign shall be erected unless a bond in the sum of Five Hundred Dollars, for the faithful observance of this ordinance shall be first filed with the City Clerk the surety of said bond to be satisfactory to the City Solicitor.

Section 7. If the Chief of the Fire Department, is satisfied, after an examination of the premises and the plans filed with him, that the said signs are to be constructed and erected in compliance with the provisions of this ordinance and in a manner to properly protect public travel, the Council shall issue a permit for the erection of the same.

Section 8. Any person, firm or corporation erecting or causing to be erected any sign contrary to the provisions of this ordinance shall pay a fine of not less than Ten Dollars and not more than Twenty-five Dollars for each day during which the said sign remains in violation of the provisions of this ordinance; said fines to be collected as fines and penalties are now by law collected in Cities of the Third Class in Pennsylvania.

Section 9. All ordinances or parts of ordinances in conflict with the provisions of this ordinance are hereby repealed.

Immediately upon the passage of this ordinance the City Engineer shall make the assessment for two thirds of said pavement against the owners of real estate bounding and abutting on said street, between the points named, by an equal assessment on said property in proportion to the number of feet the same fronts on said street , between the points named, and for the curbing by the lineal foot against owners of property abutting on said part of said street, giving notice to said owners of the time and place of making such assessments, as provided by law. The other one third of said grading and paving to be paid by the City.

Section 4. Immediately after the completion of said work, the City Engineer shall file in the office of the City Clerk, and in the office of the City Treasurer, final or correct schedule of said assessment.

Section 5 The assessment for the grading, curbing and paving heretofore mentioned shall become due immediately upon the completion of the same.

Section 6. The City Treasurer shall, upon receipt of the final and corrected schedule aforesaid, notify owners or reputed owners by mail of the amount of the assessment and the terms of payment in accordance with law, and if the said assessment shall remain unpaid 60 days after the same shall become due, said assessment shall be immediately certified by th City Treasurer to the City Solicitor for collection according to law.

Section 7. The Mayor and City Clerk shall execute the contract on behalf of the City, attested by the corporal seal. Upon the execution of a contract the contractor shall deliver to the City his Corporate Surety bond in the sum of Fifty Per Cent. of the Contract Price to be approved by the City Solicitor, payable to the City and conditioned for the faithful performance of the contract and for the payment of all just claims, for all labor performed or material furnished for or on account of said contract, as the same shall become due.

Section 8. When the paving and curbing of said portion of Wharf street above mentioned shall be completed according to said specifications, the City Engineer shall certify in writing the fact of such completion, and file such certificate with the City Clerk, and thereupon the Council shall, by resolution, accept said paving and curbing, and the contractor therefore shall be paid within sixty days after the completion and acceptance the full contract price for paving, grading and curbing: less ten per cent. thereof which will be withheld for six months after the completion of the contract for repairs to the street, etc., as provided in specifications aforesaid.

Section 9. Immediately after the expiration of the sixty days aforesaid, allowed for the payment of the first installment due thereon, the City Treasurer shall return to the City Solicitor, the amounts of all installments of payments remaining unpaid, together with the names of the abutters against whom the same is chargeable. The City Solicitor shall, within six months from the completion of the improvement in front of said properties, file liens against the abutters for the unpaid installments in the manner prescribed by law, with a penalty of three per centum chargeable thereon in case the same is collected by legal proceedings.

Section 10. For the purpose of defraying the expenses of this contract there is hereby appropriated the sum of Six Thousand ($6,000.00) Dolllars or so much thereof as may be necessary from the Contingent Fund.

No. 208

MR. CONNELL IN PLACE MAY 3, 1920.

REPORTED FROM COMMITTEE OF THE WHOLE, MAY 3, 1920

AN ORDINANCE

REGULATING STREET TRAFFIC ON PUBLIC HIGHWAYS IN THE CITY OF PITTSTON AND PROVIDING PENALTIES FOR THE VIOLATION THEREOF.

Section 1. Be it ordained by the City Council of the City of Pittston, and it is hereby ordained by the authority of the same, that the following regulations for street traffic on the public highways of the City of Pittston, be, and the same are hereby adopted:

Section 2. **Definitions:** The word "highway" shall mean the whole width, from property line to property line of any street, lane, alley, avenue, boulevard, viaduct, bridge or other place intended, used or set apart for the public, including sidewalks, curb, street, driveway and other intervening space therein.

The term "street" shall apply to that part of the public highway intended for vehicles.

The term "motor vehicle" shall apply to all vehicles propelled by power other than muscular power, which do not run upon a rail.

The term "owner" shall apply to any person who owns and operates his own car, or hires some other person to operate the same.

The term "chauffeur" shall apply to any person operating a motor vehicle for hire, or as the employe of the owner thereof.

The term "driver" shall apply to a rider, driver or leader of a horse, to a person who pushes, draws, propels, operates, or is in charge of a vehicle.

The term "vehicle" shall apply to a horse, and to any conveyance except a baby carriage or a street car.

The term "curb" shall apply to the boundaries of a street as defined above.

The term "parked" shall apply to a waiting vehicle, and to waiting vehicles drawn up alongside of another not parallel to the curb, except vehicles stopped to load or unload.

The term "one-way traffic" shall apply to a street when and where vehicular traffic is restricted to movement in one direction.

The term "street intersection" shall apply to any street which joins another at an angle, whether or not it crosses the other street.

Section 3. **Rules to Be Observed:** The driver or operator of every vehicle driven or operated upon the streets, highways and public places within the limits of the City of Pittston, shall conform to the following rules:

Section 4. **A Local Department to Control:** The Police Department shall have all powers and duties in relation to the management and direction of the vehicular traffic. Whenever such department shall deem it advisable for the public safety or convenience to close any street, alley or parts of streets to vehicular traffic, or to vehicles of certain description, or to divert the traffic thereon, or to divert or direct the course of pedestrian travel, such department shall have power and authority to do so.

Section 5. **License:** Every motor vehicle driven or operated on the streets of the city of Pittston shall carry on the front and rear thereof, a State license tag for the current year so attached as to be plainly visible at all times, and such license tags shall be kept clean and in good repair so that the number of the license will be legible at all times, provided that motorcycles shall carry but one license tag.

Section 6. **Lights:** Lights are required on all vehicles from one-half hours after sunset to one-half hour before sunrise, whether standing or moving, as fo-llows:

AUTOMOBILES: Shall carry at least two lighted lamps in front, one of which shall be on each side of the machine, visible not less than 200 feet ahead, and one combination red and white light on the rear, the red light which shall be visible not less than 200 feet to the rear, with the white light illuminating the license tag.

BICYCLES AND MOTORCYCLES: Shall carry one white light in front, to be visible not less than 200 feet ahead, provided that motorcycles with side cars attached shall have a red light which can be seen from the rear not less than 200 feet.

OTHER VEHICLES: Including trailer shall carry one red light visible not less than 200 feet in the rear, and if loaded with projecting material an extra light or flag shall be carried at the extreme rear end of such material.

HEADLIGHT GLARE REGULATIONS: Wherever there is not sufficient light within the limits of the highway location clearly to reveal all persons, vehicles or substantial objects within the said limits for a distance of at least 200 feet the headlights of all motor vehicles in motion shall give sufficient light to reveal any person, vehicle in motion or substantial object on the road straight ahead of such motor vehicle for a distance of at least 200 feet. The headlights shall be so arranged that no portion of the beam of the reflected light when measured 75 feet or more from ahead of the lamp shall rise above 42 inches from the level surface on which the vehicle stands. Such headlights shall also give sufficient side illumination to indicate any person, vehicle or substantial object 10 feet to the side of the said motor vehicle at a point 10 feet ahead of the lamps. The term "beam of light" as used in the above provision shall be construed as meaning approximately parallel focalized rays gathered and projected by a reflector, lens or other device.

Section 7. **Brakes:** Every motor operated on the streets of the City, shall be provided with at least two brakes, each of which shall work independently of the other, except motorcycles, which shall be provided with at least one adequate brake.

Section 8. **Warning Signals:** Every motor vehicle operated on the streets of the city, shall be provided with at least one adequate horn or bell, in working condition, for giving warning of its approach.

Section 9. **Siren Whistle** or whistles operated by compressed air, exhaust gas or steam, shall not be used on any vehicles except those operated by the Police Department, Fire Department, and authorized public utility vehicles when on emergency calls.

Section 10. **Noises:** Every motor vehicle (except electrics) operated on the streets of the city shall be equipped with an adequate muffler which shall not be cut out when used on a public highway.

No, horn, bell or other signalling device shall be used except in case of emergency.

No vehicle shall be loaded with material to create loud noises by striking together, without using every effort to deaden the noise.

Section 11. **Smoke:** No motor vehicles shall be operated in such a way as to emit unnecessary smoke or offensive vapors within the streets of the City.

Section 12. **Accidents:** In case of accident to or collision with a person or property upon any of the public streets, parks or driveways of the city, due to driving or operating thereon of any vehicle the person so driving or operating such vehicle shall stop and give his name and address to the person injured or any other person requesting the same, and in event that no police officer is present at the scene of the accident, the facts shall immediately be reported to the Police Headquarters by drivers or chauffeurs concerned in the accident.

Section 13. **Vehicles—How to Drive:** All vehicles shall be driven in a careful manner, with due regard for the safety of other vehicles and persons.

Section 14. **Speed:** No person shall operate a motor vehicle on the public highway of the State recklessly, or at a rate of speed greater than is reasonable and proper, having regard to the width, traffic and use of the highway, or as to endanger property or the life or limb of any person; but no person shall drive a motor vehicle at a rate of speed exceeding one (1) miles in two and one-half (2½) minutes and no person shall drive a motor vehicle having solid tires and weighing more than five thousand (5,000) pounds gross maximum weight of vehicle and load combined, at a greater rate of speed than one (1) mile in four (4) minutes and no person shall drive a motor vehicle having solid tires and weighing over ten thousand (10,000) pounds gross maximum weight and load combined at a greater rate of speed than one (1) mile in five (5) minutes; and no person shall drive a motor vehicle having solid tires and weighing over fifteen thousand (15,000) pounds, gross maximum weight of vehicle and load combined at a greater rate of speed than one (1) mile in six (6) minutes. Provided, that the local authorities having charge of any highways may, in dangerous or built-up sections, place signs marked "Dangerous, Run Slow" in letters not less than five (5) inches in height. Said signs to be placed at right angles to and plainly legible from the highway, and facing traffic, speed of which is to be reduced; and at these places the speed limit is four minutes for a distance beyond the said sign of not more than one-quarter of a mile; and if such highway is still in a dangerous or up-built section, a second sign similar to the above described may be erected, and the speed limit shall not exceed the rate of a mile in four minutes, for not less than a quarter of a mile beyond said sign; and as many signs may be erected as may be necessary. At the end of said dangerous or up-built section, shall be erected a sign reading: "End of fifteen-mile limit," in letters not less than five (5) inches in height, said signs to be placed at right angles to the highway and facing the traffic. No person shall operate a motor vehicle in a reckless or careless manner and shall

have proper regard for the width, traffic and use of the thoroughfare, so as not to endanger the life or limb, or the property of any person.

No vehicle shall cross any street or make any turn at a rate of speed exceeding one-half of the legal rate of speed as hereinbefore set forth.

Section 15. **Speed in Alleys:** That a vehicle or motor vehicle shall not cross a sidewalk to or from an alley, lot or building at a speed faster than five miles an hour.

Section 16. **Age of Drivers:** No person under the age of eighteen (18) years shall drive a motor vehicle in the streets of the city.

Section 17. **Intoxication:** No person while under the influence of intoxicating liquor shall drive any kind of a vehicle in the streets of the city, and driving while under the influence of intoxicating liquor shall be construed as a reckless driver. And that the proper city authorities shall in such case recommend to the Courts of the County of Luzerne or to the proper State authorities the revocation of such license at once.

Section 18. **Right of Way:** Vehicles of the Police Department, Fire Department, United States Mail, Ambulance and emergency repair vehicles, and on emergency calls, shall have the right-of-way in any street and through any procession.

The driver of any vehicle shall immediately drive close to the right hand curb and stop on the approach of the fire apparatus.

Every driver of a vehicle approaching the intersection of a street, or public road shall grant the right-of-way at such intersection to any vehicle approaching his right, provided that wherever traffic officers are stationed they will have the full power to regulate traffic. A physician shall have the right-of-way through any procession. If the procession shall take more than fifteen minutes it shall be broken and traffic allowed to go through.

Section 19. **Blockade:** No vehicle shall be allowed to remain upon or be driven so as to wilfully blockade or obstruct the said street, and no vehicle shall be so overloaded that the horse or horses, or motor power shall be unable to move it readily so as not to retard traffic.

Section 20. **Slowly Moving Vehicles:** Slowly moving vehicles shall be driven in single file, and shall keep as near the right hand curb as possible.

Section 21. **Distance from Street Cars:** The driver of every vehicle shall bring the same to a full stop at least fifteen (15) feet from the rear of any street car headed in the same direction, which is stopping or has stopped for the purpose of taking on or leaving off passengers, and remain standing until such car has taken on or discharged its passengers and started again.

Section 22. **Pedestrians:** Pedestrians shall cross streets at a right angle and only at regular or designated crosswalks. Where a traffic officer is stationed, pedestrians shall cross with the released traffic.

Section 23. **Meeting, Passing and Overtaking:** A vehicle meeting another vehicle shall pass to the left, and not pull over to the right until entirely clear of the overtaken vehicle so passed, except in overtaking a street, car when the overtaking vehicle shall keep to the right.

Section 24. **Turning to the Right:** A vehicle turning into another street to right shall turn the corner as near the right hand curb as practicable.

Section 25. **Turning to the Left:** Any vehicle turning into another street to the left shall pass to the right of and beyond the center of the street intersection before turning.

Section 26. **Turning:** The driver of any vehicle shall before turning make sure that such movement can be executed in safety, and shall give a plain-visible signal to others upon the street by extending the hand or otherwise.

Section 27. **Stopping:** Before decreasing speed or stopping, drivers shall warn those following him of their intention so to do by extending the hand, or in some other unmistakable manner.

Section 28. **Backing:** Before backing, drivers of vehicles shall give ample warning, and while backing unceasing vigilance shall be exercised not injure those behind him.

Section 29. **Safety Zones:** Where safety zones are provided such zones shall be designated in a visible and suitable manner. When so designated, it shall be unlawful for any person to drive a vehicle within the safety zone when the same is occupied

Section 30. **Parking:** No vehicle shall stop with its left side to the curb, except where traffic moves in one direction only.

Any vehicle when parking parallel to the curb shall stop as near to the curb as practicable, with wheels both front and rear not more than four inches from the curb.

In narrow streets, park parallel with the curb, cars to be at least five (5) feet apart.

When parking at the curb in streets, where designated, park at an angle of approximately 45 degrees, with rear tire on right hand side against the curb, and with at least one-half foot space on each side of the passageway.

Where a vehicle stands on a steep incline, it shall be so parked that when the brake is released it will run into the curb.

No vehicle shall be left standing at the curb within 50 feet of the intersecting street where cars stop.

No vehicle shall be left standing at the curb within ten feet of any fire hydrant, unless in charge of the chauffeur or operator.

Two automobiles shall not be permitted to stand side by side parallel on the curb.

The operator of any vehicle standing at the curb, in front of the entrance to any building, shall immediately give way to another vehicle wishing to stop for the purpose of receiving or discharging passengers, freight or merchandise.

No vehicle shall be left standing in such a manner as to obstruct any crosswalk.

No motor vehicle shall be left standing at a curb unattended unless emergency brake is applied and left in that position and in case of a gasoline driven vehicle the motor is stopped, and in case of an electrically driven vehicle, the controller switch is locked and the key withdrawn.

Section 31. **Backing to Curb:** No vehicle shall remain backed up to the curb, except it be actually loading or unloading, and in no case longer than the actual loading or unloading requires.

If the vehicle be horse drawn, the horse or horses shall be turned at right angles to the vehicle, and in direction in which traffic on that side of the street is moving.

Section 32. **Hitching on:** No person shall hitch on or climb upon any vehicle which is in motion with or without the consent of the driver or operator of such vehicle.

Section 33. **Bicycles:** No person shall ride a bicycle in the streets of the city without having his hands on the handle bars.

Section 34. **Police Whistle Signals:** Police whistles shall indicate:

One blast—North and South traffic stop and East and West traffic proceeds.

Two blasts—East and West traffic stops and North and South traffic proceeds.

Three blasts—The approach of Fire Apparatus or other danger.

Section 35. **Towing Disabled Vehicles:** No vehicle, unless confined to tracks, shall tow more than one other disabled vehicle, and the connection shall not be longer than sixteen (16) feet.

Section 36. **Backing:** No vehicle shall be driven in a backward direction to make a turn in any street in the business district.

No vehicle shall be driven in a backward direection in the business district farther than is absolutely necessary to avoid accident or to proceed on its way.

Section 37. **Street Cars:** The driver of any street car shall immediately stop his car or give way upon the approach of any Police Department or Fire Department vehicle or Ambulance, or any public utility vehicle when on emergency calls.

Street cars shall stop on the near side of str et intersections to take on or discharge passengers, and in so stopping shall not obstruct the crosswalk.

During blockades or stoppages, a clear space of ten (10) feet shall be kept open between cars opposite the alley or the center of the block if there be no alley.

Section 38. **Closed Vehicles:** No person shall drive a vehicle that is so closed in or constructed as to prevent the driver from having a sufficient view of the traffic at the side of each vehicle.

No person shall drive a vehicle that is so closed or constructed as to obscure the view of the driver thereof of the street behind such vehicle, unless there is attached to same a mirror of such kind and so placed that such driver may see therein a reflection of the street for a distance of at least two hundred (200) feet behind such vehicle.

Section 39. **Barrier:** No person shall drive any vehicle over or across any newly made pavement in any public street across or around which pavement there is a barrier, or at, over or near which there is a person or a sign warning persons not to drive over or cross such pavement, or a sign stating that the street is closed.

Section 40. **Broken Glass:** No person shall throw or place in any highway any glass, nails or other material likely to puncture or injure the rubber tire of any vehicle.

Section 41. **Width of Vehicles:** No vehicle, the width of which with or without its load, exceeds nine feet, shall be driven or conveyed through any of the streets of the city, unless a permit therefore is prviously granted from the Chief of Police.

Section 42. **Chauffeurs:** Every operator of a motor vehicle shall be duly licensed and license shall be subject to suspension and revocation.

Section 43. **Fixed or Projecting Steps:** No vehicle shall be operated in the streets of the city, with any fixed or any projecting step or running board on the side or back thereof, except passenger automobiles used for private purposes.

Section 44. **Vehicles Waiting at Hotels, Theaters, etc.:** Every driver of a vehicle of whatsoever kind located on a public stand, or engaged at any hotel, theater, reception, ball, concert or private party, or any other place whatever, and every driver and helper of a vehicle located on a wagon stand shall place his vehicle, while waiting in any location designated by any member of the city police force on duty, and shall be at all times within five (5) feet of his vehicle.

Section 45. **Drivers of Vehicles for Hire:** A driver of a vehicle for hire, seeking employment, shall not stop or loiter upon a street except at a public stand, nor shall he solicit passengers upon the street.

Section 46. **Drivers to Deliver Articles Left in Vehicles:** Drivers and operators of public vehicles for hire shall promptly deliver to the Mayor or Chief of Police all property of value left in their vehicles by passengers.

Section 47. **Regulating the Stopping of Vehicles:** No person shall stop any vehicle abreast of any other vehicle upon any street or avenue of the City of Pittston, and all vehicles shall be so stopped that the sides of the rear thereof shall be next to the right hand curb line of the street or avenue. Provided that in all cases where vehicles congregate in the vicinity of receptions, balls, theaters, concerts or other public or private entertainments they shall, while discharging and receiving passengers, keep the curb at the right hand. While waiting, vehicles shall be so arranged in not more than two ranks on each side of the street at the right hand parallel therewith, and for this purpose a space of at least twenty (20) feet shall be left clear in the middle of the street, and a like space twenty (20) feet along the curb at the entrance to the building or place where any such assembly is had. In case of a street containing one or more car tracks, the ranks of waiting vehicles shall be arranged so as to leave at least four (4) feet in the clear outside the tracks.

Section 48. **Control, Treatment and Condition of Horses:** A horse shall not be unbridled nor letf unattended, in the street or unenclosed space without being securely fastened, unless harnessed to a vehicle with wheels so secured as to prevent its being dragged faster than a walk.

Section 49. A driver shall continuously hold reins in his hands while riding, driving or leading a horse.

Section 50. No one shall overload, over-drive, ill-treat, or unnecessarily whip any horse on the public streets of the City of Pittston.

Section 51. No one shall crack or use a whip as to excite any horse other than that which he is using, or so as to annoy interfere or endanger any person.

Section 52. No one shall use a horse unless it is fit for its work, free from lameness or sores likely to cause pain and from any vice or disease likely to cause accident, injury or infection.

Section 53. That all fast and furious driving and racing of horses and other animals at a faster rate than six miles an hour, on or over public highways of the City of Pittston is strictly prohibited.

Section 54. If any person or persons shall be maimed or otherwise injured in person or property by reason of wanton and furious driving or racing, or by reason of negligence, carelessness or wilful misconduct of the driver of any vehicle, motor vehicle, street car, wagon or conveyance of any character whatever within the limits of the City of Pittston, such driver shall be arrested by any police officer upon view, and upon conviction thereof, shall be fined as hereinafter set forth.

Section 55. It shall be unlawful for any person or persons to tie or in any manner fasten any horse or other animal to any shade tree planted along any public park or highway within the limits of the City of Pittston.

Section 56. No persons shall skate or coast upon any of the sidewalks within the limits of the City of Pittston.

Section 57. It shall be unlawful for any person or persons having charge of any horse to leave the same stand in or upon any of the public highways of the City of Pittston, without said horse shall be tied or otherwise sufficiently secured.

Section 58. That pedestrians and drivers shall at all times observe and obey the directions and orders given them by the policemen of the city with reference to the use of the public highways of the City.

MR. KEARNEY IN PLACE NOV. 15, 1919.

REPORTED FROM COMMITTEE OF THE WHOLE, NOV. 15, 1919

AN ORDINANCE

TO PROVIDE FOR THE CONSTRUCTION OF A LATERAL SEWER ON BOYD STREET FROM SOUTH MAIN STREET TO BENTLY SILK MILL AND HOUSE CONNECTIONS FROM LATERAL SEWER TO CURB LINE, AND APPROPRIATING FUNDS TO DEFRAY THE EXPENSES OF THE SAME.

Section 1. Be it enacted and ordained by the Council of the City of Pittston, and it is hereby ordained by authority of the same:

That a lateral sewer be constructed on Boyd Street from South Main Street to Bently Silk Mill in said City, and that house connections be constructed from said lateral sewer to the curb line; all of said work shall be done within thirty days after the execution of the contract made in pursuance hereof and under the direction of the City Engineer and according to plans, profile and specifications prepared by him and filed in his office, a copy of which is hereby attached; excepting, however, as the same may be modified by the provisions of this ordinance.

Section 2. Upon the passage of this ordinance the City Clerk shall advertise for sealed proposals for the construction of said sewer and house connections as provided in Section 1 of this ordinance. Proposals shall cover the total cost of the entire work and shall state separately the price per lineal foot, both in writing and in figures, for the work herein provided for. Bidders shall enclose with each proposal the sum of $100 cash, or certified check, as a guarantee to execute a contract within twenty days for the work if awarded the same. Council may award the contract. In case the bidder to whom the contract shall have been awarded omits to execute a contract within twenty days from the date of award, the enclosure accompanying his proposal shall be forfeited to the City of Pittston. The City reserves the right to reject any and all bids. The Mayor and the City Clerk shall execute the contract on behalf of the City, attested by the corporate seal. Upon the execution of the contract the contractor shall deliver to the City his bond in the sum of One Thousand ($1,000.00) Dollars with sureties to be approved by the City Solicitor, payable to the City, and conditioned for the faithful performance of the work, and for the payment of all just claims for all labor performed or materials furnished for or on account of said contract, as they shall become due. Partial estimates shall be furnished by the City Engineer and ten per cent thereof will be retained, as will also a like percentage of the final estimate be withheld for six months after the completion of the contract for repairs to the street, etc., as provided in specifications aforesaid.

Section 3. Immediately upon the passage of this ordinance the City Engineer shall make the assessment for two-thirds of said lateral sewer against the owners of real estate, bounding and abutting on said street, between the points named, by an equal assessment on said property in proportion to the number of feet the same fronts on said street, between the points named, giving notice to said owners of the time and place of making such assessments, as provided by law. The other one-third of said lateral sewer to be paid by the City.

Section 4. Immediately after the completion of said work, the City Engineer shall file in the office of the City Clerk and in the office of the City Treasurer a final or correct schedule of said assessment.

Section 5. Said assessment shall be payable in thirty days after the completion of the work, and shall bear interest at the rate of six per cent. per annum, commencing from the date the same shall fall due.

Section 6. The commencement and the completion of the work, as specified in the ordinance, shall be the date when the work under proper contract is commenced and when the same is completed; and it shall be the duty of the City Engineer to certify to the City Clerk and the City Treasurer the date of the commencement of said work, and the date of its completion, which certificate shall remain on file for the inspection of the public.

Section 7. Immediately after the completion of said work the City Engineer shall certify the schedule assessment to the City Treasurer, who shall notify the owners or reputed owners by mail of the amount of the assessments and terms of payment upon which notice shall be printed this section of this ordinance. If said assessments shall remain unpaid after the same shall become due said assessment shall immediately be certified to the City Solicitor for collection according to law.

Section 8. On the completion of the work the contractor shall be paid in accordance with the terms set forth in the specifications provided he shall have executed the bond as provided in Section 3 hereof.

Section 9. For the purpose of defraying the expense of this contract there is hereby appropriated the sum of Six Hundred and Fifty ($650.00) Dollars or so much thereof as may be necessary from the Contingent Fund.

In case the bidder to whom the contract shall have been awarded omits to execute a contract within twenty days from the date of the award, the enclosure accompanying his proposal shall be forfeited to the City of Pittston. The City reserves the right to reject any and all bids. The Mayor and City Clerk shall execute the contract on behalf of the City, attested by the corporate seal. Upon the execution of the contract the contractor shall deliver to the City his bond in the sum of one thousand dollars, with sureties to be approved by the City Solicitor, payable to the City, and conditioned for the faithful performance of the work, and for the payment of all just claims for all labor performed or material furnished for or on account said contract, as they shall become due. Partial estimates shall be furnished by the City Engineer and ten per cent thereof will be retained, as will also a like percentage of the final estimate be withheld for six months after the completion of the contract for repairs to the street, etc., as provided in specifications aforesaid.

Section 3. Immediately upon the passage of this ordinance the City Engineer shall make the assessment for two-thirds of said lateral sewer against the owners of real estate, bounding and abutting on said street, between the points named, by an equal assessment on said property in proportion to the number of feet the same fronts on said street, between the points named, giving notice to said owners of the time and place of making such assessments, as provided by law. The other one-third of said lateral sewer to be paid by the City.

Section 4. Immediately after the completion of said work, the City Engineer shall file in the office of the City Clerk and in the office of the City Treasurer a final or correct schedule of said assessment.

Section 5. Said assessment shall be payable in thirty days after the completion of the work, and shall bear interest at the rate of six per cent. per annum, commencing from the date the same shall fall due.

Section 6. The commencement and completion of the work, as specified in this ordinance, shall be the date when the work, under proper contract is commenced, and when the same is completed; and it shall be the duty of the City Engineer to certify to the City Clerk and the City Treasurer the date of the commencement of said work and its completion, which certificate shall remain on file for the inspection of the public.

Section 7. Immediately after the completion of said work, the City Engineer shall certify the schedule assessment to the City Treasurer, who shall notify the owners or reputed owners by mail of the amount of the assessment, and the terms of payment, upon which notice shall be printed this section of this ordinance. If said assessment shall remain unpaid after the same shall become due said assessment shall immediately be certified to the City Solicitor for collection according to law.

Section 8. On the completion of the work the contractor shall be paid in accordance with the terms set forth in the specifications provided he shall have executed the bond as provided in Section 3, hereof.

Section 9. For the purpose of defraying the expense of this contract there is hereby appropriated the sum of $2100.00 or so much thereof as may be necessary from the $100,000.00 issue of 4½ per cent. City Improvement and Funding Bonds.
